

**The Financial Services and Markets Authority (FSMA) warns the public against the activities of United Global Holdings Limited, operating under the trading name FXUnited.**

United Global Holdings Limited, which operates under the trading name FXUnited, is not allowed to provide banking and/or investment services in or from Belgium.

This company is telling its clients that the FSMA is preventing it from pursuing its activities, and giving that as the reason why it is unable to return their money.

This claim is false. United Global Holdings Limited (FXUnited) is unknown to the FSMA. Moreover, it does not have an address in Belgium.

The FSMA thus **strongly advises against responding to any offer of financial service** made by United Global Holdings Limited (FXUnited) and **against transferring money** to any account number it might mention.

United Global Holdings Limited (FXUnited) uses the website **[www.fxunitedglobal.com](http://www.fxunitedglobal.com)**.

It is apparently also linked with RJJ Holdings Limited, which operates under the trading name RJJFX ([www.rjfx.com](http://www.rjfx.com)). RJJ Holdings Limited is likewise not authorized to offer banking and/or investment services in or from Belgium.
