

Applications for authorization are to be submitted to the FSMA by e-mail (at opm@fsma.be) and by sending the authorization application file by post.

The FSMA drafted a memorandum on the procurement of an authorization as an independent financial planner under Belgian law (only available in [French](#) or [Dutch](#)). Please read that document before filing your application for authorization.

All questions regarding the application for authorization should be sent to the FSMA by e-mail at opm@fsma.be.
