

The Financial Services and Markets Authority (FSMA) warns the public against the activities of KLM Holdings, a company that offers investment services.

KLM Holdings is **not allowed** to provide investment services in or from Belgium.

Moreover, according to the information available to the FSMA, it could be a **so-called 'boiler room' fraud**. You will find more information about this type of fraud in the [general warning](#) issued by the FSMA on 8 January 2019.

The FSMA therefore **strongly advises against responding to any offer of financial services** made by KLM Holdings and **against transferring** money to any account number it might mention.

KLM Holdings uses the website www.klmholdings.com and the following contact details:
