

04/06/2019

The 44th annual meeting of IOSCO, the International Organization of Securities Commissions, was held in Sydney, Australia, on 13, 14 and 15 May.

The members of IOSCO discussed the next steps needed in order to accomplish its 2019 workplan.

The workplan includes topics such as the sale of crypto-assets to consumers, the digitalization of the financial sector and the protection of consumers, data protection, sustainable finance, asset management and the use of new financial technologies.

[More information is available in IOSCO's media release on the subject.](#)
