This supplement dated 15 September 2020 (the “**Second Supplement**”) constitutes a supplement for the purposes of Article 23 of the Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market (the “**Prospectus Regulation**”). This Supplement is supplemental to, forms part of, and must be read in conjunction with the base prospectus dated 22 October 2019 (the “**Base Prospectus**”) and the supplement dated 10 March 2020 (the “**First Supplement**”), prepared in connection with the EUR 3,000,000,000 Euro Medium Term Note Programme (the “**Programme**”), established by UCB SA, a limited liability company (société anonyme) incorporated under the laws of Belgium, having its registered office at Allée de la Recherche 60, B-1070 Brussels and registered with the Crossroads Bank for Enterprises under number 0403.053.608 (“**UCB**”, or the “**Issuer**”).

This approval does not imply any appraisal by the FSMA as to the opportunity or the merits of any issue under the Programme, nor on the situation of the Issuer.

The Issuer accepts responsibility for the information contained in this Second Supplement. The Issuer declares that, having taken all reasonable care to ensure that such is the case, the information contained in this Second Supplement is, to the best of its knowledge, in accordance with the facts and does not omit anything likely to affect the import of such information.

Unless the context otherwise requires, terms defined in the Base Prospectus shall have the same meaning when used in this Second Supplement.

I. New information

a) Introduction

On 27 July 2020, the Issuer published its 2020 Half Year Financial Report, accompanied by a press release entitled “*UCB’s resilient product portfolio drives continued company growth*”.

In order to ensure that the information contained in the Base Prospectus is up-to-date as required by the Prospectus Regulation, the aforementioned documents will be incorporated by reference in the Base Prospectus. A copy of these documents, incorporated by reference in the Base Prospectus, may be obtained without charge from the registered offices of the Issuer and the website of the Issuer (www.ucb.com).

If documents which are incorporated by reference themselves incorporate any information or other documents therein, either expressly or implicitly, such information or other documents will not form part of this Supplement for the purposes of the Prospectus Regulation, except where such information or other documents are specifically incorporated by reference or attached to this Supplement.

Due to this new information, the Base Prospectus is amended as described below.

b) Amendments to the section “Documents incorporated by reference”

The section “Documents incorporated by reference” on page 35 of the Base Prospectus is amended as follows:

This Base Prospectus should be read and construed in conjunction with (i) the audited annual consolidated financial statements of UCB for the financial years ended 31 December 2017, 31 December 2018 and 31 December 2019, drawn up in accordance with International Financial Reporting Standards as adopted for use in the European Union together in each case with the audit report thereon, (ii) the unaudited interim consolidated financial statements of UCB for the 6-month period ended 30 June 2020 together with the limited review audit reports thereon (iii) the press releases issued by UCB and listed hereunder, and (iv) the specific sections and pages of the UCB’s 2018 Annual Report referred to in this Base Prospectus, which have been previously published and which have been filed with the FSMA. Such documents shall be incorporated in and form part of this Base Prospectus, save that any statement contained in a document which is incorporated by reference herein shall be modified or superseded for the purpose of this Base Prospectus to the extent that a statement contained herein modifies or supersedes such earlier statement (whether expressly, by implication or otherwise). Any statement so modified or superseded shall not, except as so modified or superseded, constitute a part of this Base Prospectus.

Copies of documents incorporated by reference in this Base Prospectus may be obtained without charge from the registered offices of the Issuer and the website of UCB (www.ucb.com). For the avoidance of doubt, the information on the website of the Issuer does not form part of this Base Prospectus unless that information is specifically incorporated by reference into this Base Prospectus.

The table below sets out the relevant page references for the audited annual consolidated financial statements for the financial years ended 31 December 2017, 31 December 2018 and 31 December 2019, respectively, as set out in UCB’s Annual Reports and the unaudited interim financial statements for the 6-month period ended 30 June 2020 as set out in UCB’s Half-Yearly Report. UCB confirms that it has obtained the approval from its auditors to incorporate by reference in this Base Prospectus the auditor’s reports for the financial years ended 31 December 2017, 31 December 2018 and 31 December 2019 and for the 6-month period ended 30 June 2020.

Information contained in the documents incorporated by reference other than information listed in the table below is for information purposes only, and does not form part of this Base Prospectus. Moreover, where only certain parts of a document are incorporated by reference, the non-incorporated parts are either not relevant for the investor or covered elsewhere in this Base Prospectus.
