WAARSCHUWING: DE BELEGGER LOOPT HET RISICO ZIJN BELEGGING VOLLEDIG OF GEDEELTELIJK TE VERLIEZEN EN/OF HET VERWACHTE RENDEMENT NIET TE BEHALEN

DE BELEGGINGSINSTRUMENTEN ZIJN NIET GENOTEERD: DE BELEGGER LOOPT HET RISICO GROTE PROBLEEMEN TE ONDERVINDEN OM ZIJN POSITIE AAN EEN DERDE TE VERKOOPEN INDIEN HIJ DAT ZOU WENSEN.

Deel I - Belangrijkste risico's die inherent zijn aan de uitgevende instelling en de aangeboden beleggingsinstrumenten, en die specifiek zijn voor de betrokken aanbieding

Over het algemeen geldt hoe hoger het aangeboden of verwachte rendement, hoe hoger het risico. Het aangeboden of verwachte rendement op de obligaties is afhankelijk van de winst die de uitgevende instantie maakt. De kans bestaat dat de winst lager is dan verwacht of dat er zelfs sprake is van verlies, waardoor u mogelijk minder rendement krijgt uitgekeerd of zelfs uw inleg of een deel daarvan verliest. De belangrijkste redenen waardoor de uitgevende instelling mogelijk niet in staat is het aangeboden of verwachte rendement of zelfs uw inleg uit te keren, zijn:

Macro-economische, sociale en politieke landenrisico's: er is sprake van het risico dat macro-economische, sociale en politieke factoren leiden tot een lastig zakelijk klimaat voor de uitgevende instelling. Deze risico's zijn aan elkaar gerelateerd en lastig te beheersen. Economische, financiële en sociale instabiliteit, een complex en snel veranderende juridisch systeem, natuur rampen, etc. hebben een grote impact op het zakelijk klimaat via o.a. devaluaties van lokale valuta, hoge inflatie en beperkte capaciteit tot terugbetaling door klanten.

Portefeuille risico: er is sprake van het risico op te veel slechte leningen in de portefeuille van de uitgevende instelling, bijvoorbeeld omdat de kredietbeoordeling en/of klantafhandeling niet op orde is, of door politieke instabiliteit of een natuurramp. Dit betekent dat leningen afgeboekt moeten worden wat een weerslag kan hebben op de kapitalisatie en winstgevendheid van de uitgevende instelling.

Wisselkoersrisico: er is sprake van het risico op verliezen door wisselkoersschommelingen omdat de uitgevende instelling inkomsten genereert die anders zijn dan de valuta waarin de obligaties zijn uitgegeven of USD. Dit betekent dat de liquiditeit en solvabiliteit van de uitgevende instelling in gevaar kan komen bij heftige wisselkoersschommelingen.

Valuta risico: de uitgevende instelling ontvangt de gelden die in EUR zijn opgehaald voor het onderliggende project op de website in USD. Alle rente betalingen en aflossingen op de hoofdsom worden door de uitgevende instelling in USD gedaan en vervolgens omgezet naar de tegenwaarde in EUR overeenkomstig de geldende voorwaarden, alvorens een terugbetaling aan u plaatsvindt. Als investeerder loopt u dan ook een valutarisico. Door wisselkoersschommelingen kan het voorkomen dat u niet uw volledige inleg terugkrijgt en/of het verwachte rendement lager uitvalt, indien de waarde van de EUR deprecieert ten opzicht van de USD.

De obligaties zijn niet verhandelbaar op een beurs of platform en daardoor beperkt verhandelbaar. Dat betekent dat er mogelijk geen koper is voor uw obligaties als u tussentijds van uw belegging af wilt. U loopt dan dus het risico dat u niet op het door u gewenste moment uw geld terug kan krijgen en uw belegging langer aan moet houden of uw obligaties voor een lagere prijs moet verkopen.

Fraude en corruptierisico's: er is sprake van het risico op fraude en/of corruptie omdat er over het algemeen een grote afstand is tussen de uitgevende instelling en de investeerders in de obligaties. Tevens is het fraude- en corruptieniveau in het land van de uitgevende instelling over het algemeen hoger dan in het land van verblijf van de investeerders in de obligaties. Dit betekent dat de (financiële) situatie bij de uitgevende instelling er beter voor kan lijken te staan dan dat het daadwerkelijk is.

Financieringsrisico: er is sprake van een financieringsrisico omdat de uitgevende instelling continue financiering nodig heeft voor haar activiteiten. Dit betekent dat het kan gebeuren dat de uitgevende instelling haar leenportefeuille moet verkleinen als ze niet meer voldoende financiering kan aantrekken wat een neerwaartse druk geeft op de winstgevendheid.

Vervroegde aflossing: er is sprake van het risico op vervroegde aflossing omdat de uitgevende instelling de obligaties op lagere kosten kan herfinancierken. Dit betekent voor u als belegger dat u eerder de beschikking heeft over uw geld dan verwacht, hetgeen gederfde (rente)inkomsten als gevolg kan hebben.

Rangorde uitbetaling: uitkering van het rendement gebeurt nadat operationele uitstaande kosten voldaan zijn zoals lonen en facturen van leveranciers. Het risico bestaat dat de uitgevende instelling onvoldoende liquide middelen overhoudt om het rendement uit te keren. Dit betekent voor u als belegger dat het rendement lager kan zijn dan verwacht en eventueel dat u niet uw volledige inleg terug krijgt.

In geval van faillissement hebben de volgende uitkeringen voorrang op de uitbetaling van het rendement op de obligaties: operationele uitstaande kosten, belastingen, deposito's, vreemd vermogen met onderpand. Let op dat deze lijst niet per se uitputtend is. Dit betekent voor u dat het rendement lager kan zijn dan verwacht en eventueel dat u niet uw volledige inleg terug krijgt.

Beperkt eigen vermogen: het eigen vermogen van de uitgevende instelling is beperkt ten opzichte van het vreemd vermogen. Dit betekent dat de buffer aan eigen vermogen klein is waardoor bij tegenvallende resultaten de uitgevende instelling relatief snel niet meer aan haar verplichtingen op de obligaties zal kunnen voldoen. Het risicoprofiel van de obligaties lijkt daardoor op het risicoprofiel van aandelen.

Operationeel risico: er is sprake van het risico op operationele tekortkomingen omdat de kosten langdurig te hoog kunnen zijn versus de opbrengsten. Dit betekent dat de uitgevende instelling niet meer aan haar financiële verplichtingen kan voldoen.

Platform risico: er is sprake van het risico op discontinuatie van het platform omdat de aanbieder de exploitatie niet rendabel kan maken. Dit betekent dat het lastiger zal zijn om terugbetalingen te faciliteren voor investeerders in de obligaties.

INDEPENDENT AUDITOR'S REPORT

To the Owners and Board of Directors of the LLC "MCC "Bailyk Finance":

Opinion

We have audited the financial statements of the LLC "MCC "Bailyk Financen (the "Company"), which comprise the statement of financial position as at December 31, 2021, and the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2021, and its financial performance and cash flows for the year then ended, in accordance with International Financial Reporting Standards (the "IFRS").

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (the "ISAsn"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (the "IESBA Coden") together with the ethical requirements that are relevant to our audit of the financial statements in the Kyrgyz Republic, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with general principles of preparation of financial statements and regulations of the **NBKR**, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and regulations of the NBKR will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs and regulations of the NBKR, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other matters

The Company prepared financial statements in accordance with regulations of the National Bank of the Kyrgyz Republic (the "NBKR") for the year ended December 31, 2020 for which we issued a separate audit report dated February 28, 2021 addressed to the Owners and Board of Directors of LLC "MCC "Bailyk Finance".

INDEPENDENT AUDITOR'S REPORT

To the Owners and Board of Directors of the LLC "MCC "Bailyk Finance":

Opinion

We have audited the financial statements of the LLC "MCC "Bailyk Finance" (the "Company"), which comprise the statement of financial position as at December 31, 2020, and the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2020, and its financial performance and cash flows for the year then ended, in accordance with International Financial Reporting Standards (the "IFRS").

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (the "ISAs"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (the "IESBA Code") together with the ethical requirements that are relevant to our audit of the financial statements in the Kyrgyz Republic, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with general principles of preparation of financial statements and regulations of the NBKR, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and regulations of the NBKR will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs and regulations of the NBKR, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other matters
